Notice of Change ("NOC") of Owner or Operator under General Permit NVR100000 for Stormwater Discharges Associated with Construction Activity

Submission of this NOC constitutes notice that the individual permit for this construction site has changed either the owner, the operator, or both. Pursuant to Part V.B.5 of General Permit NVR100000, NDEP must be notified in writing whenever there is a transfer of ownership or control. This occurs whenever a new owner and/or operator assumes responsibility at the site while the site is authorized to discharge stormwater associated with construction activity under the NPDES program. This NOC form and other information are available at:

<http://www.state.nv.us/ndep/bwpc/storm01.htm>.

Instructions to Complete the Notice of Change (“NOC”) of Coverage under the NPDES General Permit for Stormwater Discharges Associated with Construction Activity

Who May File an NOC Form?

Whenever a change in control or ownership of the construction site changes, NDEP must be notified in writing. Using this NOC, the previous operator/owner and the new operator/owner both fill out their respective contact information, sign the form and send it to NDEP.

Where to file the completed NOC Form:

Stormwater Coordinator
Division of Environmental Protection
Bureau of Water Pollution Control
901 S. Stewart St., Suite 4001
Carson City, NV 89701

Section I. Permit Information

Enter your existing NPDES Stormwater General Permit Identification Number (e.g. CSW-xxxx) assigned to the construction site. If you do not know the permit number, contact NDEP’s stormwater coordinator. Enter the physical address of the construction site and the Assessor’s Parcel Number (“APN”), and the date of transfer of ownership or control at the construction site.

Section II. New Construction Site Owner/Operator Contact Information:

Give the legal name of the person, firm, public organization, or any other entity that now owns or operates the construction site described in this NOC. The operator of the facility is the legal entity that controls the site's day-to-day operations. Enter the complete contact information of the new owner/operator, including mailing address, telephone number and email address.

Section III. Previous Construction Site Owner/Operator Contact Information:

Give the legal name of the person, firm, public organization, or any other entity that previously owned or operated the construction site described in this NOC. The operator of the facility is the legal entity that controlled the site's day-to-day operations. Enter the complete contact information of the previous owner/operator, including mailing address, telephone number and email address.

Section IV. Certification of Previous Owner/Operator:

The previous owner/operator signs this section. Federal statutes provide for severe penalties for submitting false information on this application form. Federal regulations require this application to be signed as follows:

For a corporation: by a responsible corporate officer, which means: (i) president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision making functions, or (ii) the manager of one or more manufacturing, production, or operating facilities employing more than 250 persons or having gross annual sales or expenditures exceeding \$25 million (in second-quarter 1980 dollars), if authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures;

For a partnership or sole proprietorship: by a general partner or the proprietor; or

For a municipality, State, Federal, or other public facility: by either a principal executive officer or ranking elected official.

Section V. Certification of New Owner/Operator:
